

EVENT NAME

VALORANT

TYPE

ONLINE GAMING EVENT

DESCRIPTION

Well, well, There's no shortage of excellent games to satisfy FPS fans, is there? Tirutsava invites you to experience the newest, most trending game right now: VALORANT. Millions around the world play this online tactical shooter game. It involves two teams of five players each, battling it out against each other round-after-round. In our tournament, each game will have twenty-five rounds, and the team that manages to win thirteen of them first will be adjudged the winner. Players can choose their in-game characters, called agents, at the start of the game. They are also given the freedom to purchase abilities and weapons at the beginning of the game.

Hasta la vista, Baby!

PLAYING:

MODE: SPIKE RUSH

Round 1 - 32 teams fight for 16 spots

Round 2 - 16 teams fight for 8 spots

Group Round Top 8

MODE: UNRATED

In this stage, the remaining 8 teams will be divided into two groups of 4 teams each. The winners and runners-up from each group will get to play in the semi-finals.

Group A - Team A, B, C, D

Group B - Team E, F, G, H

Semi-finals

SF 1: Winners of Group A vs. Runners of Group B

SF 2: Winners of Group B vs. Runners up for Group A

Final - Winner of SF 1 vs. Runner Up for SF 2

RULES

1) We will not provide any buffer player to any team. Even if any team has less than 5 members, they will be accepted as a full team. In the multiplayer round, the team should not have more than five members.

2) Decisions taken by the Coordinators will be final and binding.

3) Coordinators have the right to ban/kick any player without prior notice.

- 4) Players must take screenshots of their match results and video recording if they feel someone is indulging in malpractices and submit it to respective authorities.
- 5) Teaming/Hacking, misbehaving with anyone is not allowed and can lead to disqualification.
