MAKE YOUR 11 (AUCTION)

1. Batsman
2. Bowler

3. Allrounder
4. Wicketkeeper

Further, they will be divided into 3 groups

1. 2 crore - For A class players
2. 1 crore - For B class players
3. 50 lakhs - For uncapped players Each team will be given 40 crores.

Each team has to select 11-13 players.

A team can at max. select 6 non-Indian players but for the formation of Team they must include exactly 4 non-Indian in the playing 11. It should consist of at least

- 5 batsmen
- 4 bowlers
- 3 allrounders
- 1 wicket keeper.

Also, they have to form a team of 11 players which should contain

- 5 batsmen
- 3 bowlers
- 2 allrounders
- 1 wicketkeeper

OR

- 5 batsmen
- 4 bowlers
- 1 allrounder
- 1 wicketkeeper

They have to choose their captain also. Captain has to be that player only who has captained at least 1 season in IPL.

POINTS DISTRIBUTION*

Squad Strength = Squad Batting + Squad Bowling + Squad Fielding + Captaincy.

Bidding rules:

For every category of player a fixed base price will be announced. If no team bids within 10 seconds, then the player is unsold. (As this contest will be conducted on zoom)* Participants have to bid through chat and team leaders will be allowed to bid. Time for discussion will be provided as 1 minute after which the bidding process shall begin. After the bidding starts If no team bids within 20 seconds, then the player is unsold. If someone bids for the player, then the bidding amount will be raised. Other teams can now bid within 10 seconds. If no one bids, then the player is declared sold to the team holding the bid. If someone bids again, then the price is incremented and the process repeated until the player is sold.

Once the auction concludes, each team must appoint a captain and make a team. The strength of the squad will be calculated using an in-house player rating system. Any leftover amount in the team purse will not be considered while calculating points. the teams with the highest and second-highest points will be declared the winner and the runner-up.

PRICE INCREMENTATION RULES

On 50 lakhs, 1 lakhs or more can be increased on each bidding.
After 1 crore, 5 lakhs or more can be increased on each bidding.
After 2 crores, 10 lakhs or more can be increased on each bidding.
After 5 crores, 20 lakhs or more can be increased on each bidding.

Note -

- All the data will be collected from IPL stats only also overall performance of the player in IPL will be taken into consideration.
- If any draw happens in Final Round then, priorities will be given in order
 - Captain
 - Allrounders

CONDUCTION OF AUCTION

Auction will be conducted on Zoom platform and after every 40 minutes a break of 10 minutes will be provided to the participants to discuss their strategies.

For raising the price chat box will be used and also from each team only the leaders would be allowed to chat with the coordinators i.e. only they can increase the price.

All the participants would keep on mute for any query a coordinator would be their to whom they can chat personally.

The leader whose bid will be first reported in chat will be considered.
